The Mediocre Marathon Starts Now

Channel: Brandon Carter · Published: Nov 03, 2026 · Watch: https://www.youtube.com/shorts/dmYWYRj5XqY Source: full transcript

📋 Executive Summary

With 60 days left in 2026, most people have already abandoned their goals and are coasting through the holiday season. Brandon argues that serious individuals can still make substantial progress by refusing to coast.
