👜 The Bottega Bag 0:00

- A friend sent Tim a photo of a Bottega bag, which prompted the purchase
  - His reaction: it looked so good he felt he had no choice but to buy it
- Describes the bag as nearly weighing "half his body"
  - Implies it is a large, substantial piece
- Bought it specifically as a travel companion bag
  - He travels frequently and needed something for the purpose
  - Describes it as a smaller, stylish handbag-style piece meant to complement his larger main luggage
- Full black leather construction
  - Features Bottega's signature intrecciato (woven) leather detailing
  - Notes the bag is spacious — jokes "you could fit an entire body in it"

🪢 The Belt & Buckle 0:24

- Second item in the haul is a Bottega Veneta belt
  - Comes with a small, elegant Bottega buckle (mshbk — the signature buckle closure)
  - Also features Bottega's authentic original leather engravings/embossing
- Describes the overall aesthetic as very simple and clean
- Summary of the full haul: the large leather travel bag and the belt
