Almost All Business Advice Is Bullsh*t

Channel: Brandon Carter · Published: Oct 25, 2026 · Watch: https://www.youtube.com/watch?v=XF3oF-zSHEk Source: full transcript

📋 Executive Summary

Every piece of business advice works — but only reflects what worked for that specific person. Success comes from choosing your own skills to develop, picking an industry you're passionate about, and mastering every business function yourself before hiring out.
