The Lazy Way I Make Money With AI (2026) EP 342

Channel: Brandon Carter · Published: Nov 06, 2026 · Watch: https://www.youtube.com/watch?v=TRygqflTxLw Source: description only

📋 Executive Summary

Brandon Carter outlines how AI can automate the core functions of an online coaching business — funnels, call booking, and content creation — without hiring anyone, and promotes related tools, resources, and a live Miami event.

📑 Contents

- 🎤 Live In-Person Miami Event
- 🤖 AI for Coaching Business Automation
- 🛠️ Tools & Resources Mentioned

🎤 Live In-Person Miami Event

- A one-day live event held in Miami
  - Features 20 coaches
  - Goal: attendees walk out with AI actively running their funnels, booking their calls, and producing their content
  - No hiring of additional staff required
- Registration link: https://hightickettrainer.ai/ai-coach-accelerator

🤖 AI for Coaching Business Automation

- The core premise of the episode is a "lazy" (low-effort, automated) method of making money using AI tools in 2026
  - AI is applied to three main business functions:
    - Running sales/marketing funnels
    - Booking client calls
    - Creating content
  - The approach is positioned as a solo-operator model — no team or hires needed
