📋 Executive Summary

ZssBecker argues that modern leisure habits like TikTok, video games, drinking, and watching sports overstimulate dopamine and serotonin, which kills creativity, motivation, and focus that came naturally in childhood.

The reason you're not creative. Not motivated. Not focused.

AKA the stuff that came easy to you as a kid.

Is that every form of "relaxing" in our society is SMASHING our minds with serotonin and dopamine.

TikTok. Video games. Drinking. WATCHING sports.

If you're doing these
