What Happens When You Stop Being Afraid?

Channel: Brandon Carter · Published: Nov 08, 2026 · Watch: https://www.youtube.com/shorts/bqw2B66_eTI Source: description only

📋 Executive Summary

Fear doesn't precede action — action precedes the quieting of fear. Grounded in faith, this short challenges viewers to post, price, send, and leave their comfort zones now.

🚀 What Bold Action Actually Looks Like

- Stopping fear unlocks a specific set of real-world moves:
  - Posting the video you've been sitting on
  - Raising your price — even when it feels uncomfortable
  - Sending the offer you've been hesitant to put out
  - Leaving the job that has been slowly diminishing you for years

🙏 The Faith Foundation

- Fear doesn't go away on its own first — the sequence is: **you move first**, then fear gets quieter
- God repeats
