Overview & Format 0:00

- Deni runs Tinder (and WhatsApp) accounts **on behalf of paying clients** — ghostwriting all messages
 - Claims to handle a high volume simultaneously; says he sometimes forgets what he said to which girl
- Goal of the video: show real live texting so viewers can copy the tactics
- Covers multiple client accounts throughout, referred to by first name or nickname (Chad, 28-year-old guy, 30-year-old client, etc.)
- Frequently skips pure logistics in the breakdown: *
