I Don't Edit My Videos Anymore

Channel: Brandon Carter · Published: Oct 17, 2026 · Watch: https://www.youtube.com/shorts/ZdIhZ3coJAM Source: full transcript

📋 Executive Summary

Brandon Carter offloads 90% of his video editing to Claude and ChatGPT, enabling him to publish an extraordinary volume of short-form content across three platforms in a single month.

🤖 AI-Powered Editing Workflow 0:00

- Brandon no longer manually edits his videos
  - He delegates **90% of his video editing** to AI tools — specifically Claude and ChatGPT
  - He films the content himself, then hands editing off to AI
- The core claim is that this workflow is what makes his volume possible
  - He states directly:
