- 🎮 Playing Games Between Takes
- 😂 Back to Work Instantly

🎮 Playing Games Between Takes 0:00

- Asked how he likes video games, Brandon clarifies it's purely about killing time
  - A light was being set up, leaving him a few spare minutes on set
- He describes a clear work philosophy: when it's time to work, he fully zones in
  - He doesn't like "hopping in and out" of work mode
  - The brief gap gave him a window to play without breaking his focus
- Used the downtime to play online, joking he "kicked somebody's ass real quick"
  - Adds, laughing, that it was "probably some child"

😂 Back to Work Instantly 0:22

- The moment filming resumes, Brandon drops the game immediately
- Someone off-camera notes they were already filming, prompting laughter
  - Implies the candid moment was caught on camera unexpectedly
