How to plan your next 90 days

Channel: Tim Luong · Published: Oct 17, 2026 · Watch: https://www.youtube.com/shorts/UDExDqL17wc Source: full transcript

📋 Executive Summary

To plan your next 90 days effectively, limit yourself to three key initiatives, write them with precise measurable targets, and stress-test their feasibility before committing.

📑 Contents

- 🎯 Step 1: Limit Yourself to Three Initiatives
- ✍️ Step 2: Write Goals With Extreme Clarity
- 🔍 Step 3: Pressure-Test Feasibility

🎯 Step 1: Limit Yourself to Three Initiatives 0:00

- When planning your next 90-day period, start with **only three main initiatives** — no more.
  - Keeping the number small forces prioritization and prevents spreading effort too thin.

✍️ Step 2: Write Goals With Extreme Clarity 0:00

- Each initiative must be written with very high specificity — vague intentions do not count.
  - Example of a vague goal:
