## 📋 Executive Summary

ZssBecker shares two big updates: completing a 235,000-word grimdark fantasy epic after months of brutal early-morning writing sessions, and predicting a major crypto surge driven by demand for privacy, decentralization, and AI automation.

Every morning since March I've gotten up around 2am and wrote for 4 hours. Then ran my companies during the day.

It's been hell.

Today my finished 235,000 word grimdark fantasy epic landed on my editors desk.

Can't wait to share this bat-shat crazy thing with you next year.
