

A theory we blew out of the water #businessgrowth #motivation #sucessjourney #success #successboost

Channel: Greg Lav · Published: Oct 09, 2026 · Watch: <https://www.youtube.com/shorts/P4J6p2XdIGY> Source: full transcript

Executive Summary

Greg Lav recounts launching a purple energy drink for women against universal industry advice that only white cans sell to women — the purple can became a major success, proving that existing data reflects the past, not the future.
