Executive Summary

Mark shares enthusiasm for his current AI setup combining Hermes and Opus 5.5, describing it as the most fun he's had with AI and praising its ability to one-shot tasks consistently.

Agreed with this list. I'm literally having the most fun I've ever had with AI rn with my Hermes + opus 5.5 setup.

One shotting everything in sight <https://twitter.com/exm7777/status/2105658754989805919>
