📋 Executive Summary

markbuildsbrand argues that media buying is neither dead nor the sole driver of success, noting he has personally reduced CAC by 20-30% through media buying alone, while crediting other factors too.

I proudly say media buying is not dead, but I never say it's 100% of your success either.

The phrase i usually say is "media buying is not everything, but it's not nothing either."

I have meaningfully moved accounts CAC roughly 20-30% through media buying alone.
