Executive Summary

markbuildsbrand is thrilled about a cost-saving update from the Hermes team, expressing relief that running workloads on Fable 5.1 will no longer be prohibitively expensive.

Sep 21, 2026 · 11:51 PM

Oh my gawd I could cry

Now I don't have to burn \$100 every 5 minutes running cool shit on Fable 5.1

Big W Hermes team <https://twitter.com/teknium/status/2102093483788107792>
