

Fighting The Urge To Give Up As You Get Older

Channel: Onem · Published: Aug 28, 2026 · Watch: <https://www.youtube.com/shorts/5AzcwIE1tvU> Source: full transcript

Executive Summary

At 34, the speaker reflects on three hard-won lessons: excuses must stop, the natural urge to slow down must be actively fought, and the pessimistic warnings of people who've already settled should be ignored.
