Executive Summary

Online coaches can reverse-engineer a \$20K/month income by tracking four funnel metrics — revenue goal, close rate, show rate, and lead-to-book rate — then use AI to improve conversion rates and reduce lead volume needed.

The Four Numbers Every Online Coach Must Know 0:00

- **The core framework:** Work backwards from your monthly revenue goal through four sequential calculations to determine exactly how many leads you need.
- Number 1 — $\text{Monthly Revenue Goal} \div \text{Average Cash Collected Per Sale} = \text{Sales Required}$
 - Example: \$20,000 goal $\div$ \$1,000 per client = **20 sales needed**
- Number 2 — $\text{Sales Required} \div \text{Close Rate} = \text{Completed Calls Needed}$
 - Example: 20 sales $\div$ 25% close rate = **80 completed calls needed**
- Number 3 — $\text{Completed Calls} \div \text{Show Rate} = \text{Bookings Required}$
 - Example: 80 completed calls $\div$ 80% show rate = **100 bookings needed**
- Number 4 — $\text{Booked Calls} \div \text{Lead-to-Book Rate} = \text{Qualified Leads Required}$
 - Example: 100 bookings $\div$ 10% lead-to-book rate = **1,000 qualified leads needed**

The entire funnel collapses to one insight: your lead requirement is determined entirely by the weakest conversion rate in your pipeline.

Using AI to Improve Conversion Rates 0:48

- If any conversion rate improves, the total number of leads required drops significantly — making AI leverage a high-priority lever.

- Three specific jobs AI can handle in the coaching sales funnel:
 - Booking calls automatically
 - Qualifying leads before they reach a sales call
 - Following up with leads who haven't booked yet

Live Training Offer 1:10

- Brandon Carter is hosting a live training on using AI to grow an online fitness business.
- Positioned for coaches who:
 - Don't have a large social media following
 - Are not certified
 - Have little experience
- Claimed outcome: earn an extra **\$300–\$500 per day** as an online trainer using AI.
- Call to action: comment the word "online" to receive the registration link.
