The Top Cities

Channel: Tim Luong · Published: Nov 07, 2026 · Watch: https://www.youtube.com/shorts/7J1ZSHqx38c Source: full transcript

📋 Executive Summary

Tim Luong breaks down the best US cities to live in when building a 7-8 figure online business, prioritizing entrepreneur networks, lifestyle quality, and industry-specific ecosystems.

📑 Contents

- 🏆 Tier 1: The Trifecta — LA, New York & Miami
- 🌉 San Francisco: The Conditional Pick
- 🌵 Honorable Mentions: Scottsdale & Dallas

🏆 Tier 1: The Trifecta — LA, New York & Miami 0:00

- These three cities are Tim's top-ranked locations for scaling an online business to 7 or 8 figures
  - Referred to collectively as "the trifecta"
- Key advantages shared across all three:
  - Access to a large community of fellow entrepreneurs
  - High quality of lifestyle
  - Good weather
  - Strong food/dining scene
- These are considered **first-tier cities** — no trade-offs needed on lifestyle

🌉 San Francisco: The Conditional Pick 0:23

- Notably excluded from the top tier because of significant lifestyle sacrifices required
- However, San Francisco becomes worth it under specific conditions:
  - Working in AI
  - Raising funding for a business
  - Operating in venture capital (VC)
  - Working in tech broadly
- Reasoning: being inside that ecosystem dramatically increases earning potential, making the lifestyle trade-off worthwhile

🌵 Honorable Mentions: Scottsdale & Dallas 0:23

- Scottsdale and Dallas are flagged as strong secondary options
- Share similar upsides to the trifecta:
  - Good weather and lifestyle quality
  - Growing communities of ambitious, high-aspiration entrepreneurs
