Executive Summary

ZssBecker announced a major overhaul of HYROS with a new vibe-coded tracking app, plus a \$20k contest, while also posting a blunt motivational callout urging followers to stop making excuses and take action.

Sep 23, 2026 · 11:53 AM

Guess what f*cker...

Somewhere someone with half your IQ and 1/3rd your opportunity is making more money than you could ever dream of.

Stop making excuses. You have zero. Get it done.
