-  The Wake-Up Excitement Test
-  The Lifelong Question

The Wake-Up Excitement Test [0:00](#)

- The core framework question: **"Do I wake up every single day excited to wake up?"**
 - If yes, it's a strong signal you love what you're doing
- Observation about the happiest people he knows:
 - They are not constantly chasing the next thing
 - They wake up genuinely excited to do what they do
 - It doesn't take them a long time to get out of bed
 - They are not dreading their day

The Lifelong Question [0:21](#)

- Second lens he applies to himself: **"Can I do this for the rest of my life?"**
 - Paired with reflecting on why he wakes up excited each day
 - Together, these two questions form his complete decision-making framework for whether to continue pursuing something
