📋 Executive Summary

markbuildsbrand raises a question about managing creative concentration in CBOs at high scale, specifically how to prevent one single creative from consuming 30%+ of budget and the risk that poses when it stops converting.

If you're currently scaling with CBOs i got a question:

how do you avoid creative concentration at high scale?

Like having 30%+ of your CBO budget going to one single creative.

It's all fine and dandy when it's converting, but when it falls outside KPI, gets cut, spend gets
