The 180-Day Warning

- The episode's core premise is a time-urgency message: approximately **180 days remain in the year**
 - This is framed as a warning to fitness professionals who have not yet made meaningful progress toward their business goals
 - The implication is that now is a critical inflection point — act immediately or lose the year

The 7-Day AI Action Plan

- Brandon promotes a **free resource**: "The 7 Day AI Action Plan To Get Online Fitness Training Clients"
 - Available at: <https://www.hightickettrainer.com/ai-action-plan>
 - Positioned as the primary recommended action for trainers who want to grow their online client base before year-end
 - Specifically targets online fitness training client acquisition using AI tools

1-on-1 Fitness Coaching

- Brandon offers **personal 1-on-1 fitness coaching** for individuals
 - Interested applicants can apply at: <https://customketoplan.com/apply>
 - No additional details about pricing or structure are provided in the description

Victory Trades Community

- Brandon also promotes **Victory Trades**, described as "the best place for options & futures traders of all levels"
 - Accessible at: <https://king-keto.com/victory-trades>
 - Suggests Brandon's brand extends beyond fitness into financial trading education
