📋 Executive Summary

A brief motivational short urging viewers to ask themselves where they want to be in 2 years, framing daily decisions as GPS coordinates that either move them toward or away from their destination.

📑 Contents

- 🧭 The Most Powerful Question You Can Ask Yourself
- 🚗 Your Decisions Are Your GPS
- 🎯 Take Action and Set Your Destination Today

🧭 The Most Powerful Question You Can Ask Yourself 0:00

- The central question posed: **"Where do you see yourself in the next 2 years?"**
  - Described as the single most powerful question you can ask yourself
- The host shares that he asks himself this question every 3 to 6 months
  - He states that ever since he started doing this, his life has improved significantly

🚗 Your Decisions Are Your GPS 0:10

- Uses a GPS navigation system as the core analogy for life direction
  - Just as you set a destination in a GPS, you set your own life destination through your choices
  - You are the one who determines where the GPS is pointed — no one else
- Every decision you make shifts that destination:
  - Decisions made today
  - Decisions made this week
  - Small habits like waking up late tomorrow can alter your trajectory
- The point: even seemingly minor daily choices are quietly reprogramming your destination

🎯 Take Action and Set Your Destination Today 0:21

- Call to action: "Change your destination today"

- Encourages full focus and commitment — "Let's go full throttle"
- Closes with a personal declaration and a direct challenge to the viewer:
  - "I know where I want to be 2 years from now. Do you?"
