The Nature Reset Hack [0:00](#)

- His **#1 hack** for consistently coming up with new ideas is to break your routine and get into nature
 - Within 2 days of a week-long trip to the Blue Mountains, he had more ideas than he could process — for both content and business
- He plans to repeat this practice once every **3 to 4 months** as a regular reset
 - Framed as a simple, repeatable "quick hack" rather than a complex system
