Context & Credibility 0:00

- Brandon Carter claims to have built a sales team that has done **over \$20 million in sales**
 - The skills listed are drawn directly from observing the top performers on that team
 - Framed as attributes, not just tactics — implying these are habitual traits of elite closers

Skill 1: Create Strategic Friction 0:00

- The core idea: actively pull away from the prospect instead of coming off as needy or pushy
 - Neediness and pressure repel buyers; strategic distance creates desire
- Example line to use: *
