Executive Summary

Brandon Carter delivers a blunt, rapid-fire list of six foundational areas — body, sleep, diet, money, circle, and your word — claiming that fixing all six will eliminate almost all of your problems.

Contents

- 💪 Fix #1: Your Body
- 😴 Fix #2: Your Sleep
- 🥗 Fix #3: Your Diet
- 💰 Fix #4: Your Money
- 👥 Fix #5: Your Circle
- 🤝 Fix #6: Your Word

💪 Fix #1: Your Body 0:00

- The directive: get stronger and get leaner.
- Stop accepting low energy as a baseline state.
- Stop tolerating feeling uncomfortable in your own skin.

😴 Fix #2: Your Sleep 0:00

- You cannot stay up all night scrolling and expect to feel focused and disciplined the next day.
- Poor sleep directly undermines the discipline and focus needed to improve everything else.

🥗 Fix #3: Your Diet 0:00

- Stop using a stressful day as justification for eating poorly.
- His framing: "Stop eating like a goddamn toddler. Eat like a man."
- Emotional eating is framed as a reward habit that needs to be broken.

💰 Fix #4: Your Money 0:24

- Track every dollar you spend and every dollar you make — no exceptions.

- Practical free tool suggested: connect all your accounts to **ChatGPT** to track finances at no cost.

Fix #5: Your Circle 0:24

- The people around you shape who you become.
 - If everyone in your circle is lazy, negative, broken, and unhealthy, you will eventually mirror those traits.
- The implication: consciously curate your social environment.

Fix #6: Your Word 0:24

- Do what you say you are going to do — especially when nobody is there to hold you accountable.
- Breaking promises to yourself has a compounding psychological cost:
 - You will like yourself less over time.
 - It erodes your confidence progressively.

"If you fix those six things, almost all of your problems will go away."
