Who Is Deni & What He Does

- Deni is a professional dating app account manager
 - Has managed **over 1,000 Tinder accounts** in the last year alone
 - Also manages Instagram accounts and other dating apps beyond Tinder
- His service is hands-on and comprehensive
 - He gets likes for clients
 - He also messages girls on the client's behalf
 - Goal is to secure actual dates, not just matches
- He runs a second YouTube channel focused on more advanced, unfiltered Tinder advice
 - Channel: https://www.youtube.com/@Deni_Ops2

The Tinder Service Offering

- Core promise: **Guaranteed matches and dates within 48 hours**
 - Deni messages women on the client's behalf and arranges dates
- Bold money-back guarantee
 - If he fails to deliver, he sends the client **\$1,000** for wasting their time
- The video case study features a 5'3" Asian man who achieved **99+ likes** on Tinder

- Positioned as proof the service works even for men who may face perceived disadvantages on dating apps (height, ethnicity)
- Service inquiries are handled via a Calendly booking link
