Executive Summary

Tim Luong argues any business is just three decisions away from doubling revenue, framed around three Ps: Pricing, People, and Prospect — each a standalone lever capable of 2x growth on its own.

- 💰 P1: Pricing
- 👤 P2: People
- 🎯 P3: Prospect

P1: Pricing 0:05

- Core claim: doubling your prices alone can double your business overnight
 - The mechanism is adding value to your existing offer/product to justify the higher price point
 - You don't need new products or new customers — just restructure what's already there
- Actionable framing: ask
