## 🔗 The Problem with Managing Leads in Instagram 0:00

- Instagram DMs accumulate into one long, unstructured thread
  - No native way to categorize or sort leads by status
  - As volume grows, it becomes a disorganized mess and leads fall through the cracks

## 📂 How Go High Level Organizes Leads 0:22

- Go High Level connects directly to Instagram and captures every DM as a lead
- Automations automatically categorize each lead into pipeline stages
- The **Opportunities** view displays all leads sorted into columns:
  - New Leads
  - Conversations in Progress
  - Calls Booked
  - Closed
  - Lost
  - Needs Follow-Up
- This pipeline view gives a clear, at-a-glance snapshot of where every prospect stands

## 📬 Multi-Channel Outreach & Automation 0:45

- From inside Go High Level, you can contact leads directly without switching apps:
  - Reply via Instagram DM

    - Send a text message (SMS)
    - Send an email
- Automation capabilities extend outreach further:
    - Set up automated text message sequences
    - Set up automated email sequences
- All outreach and follow-up happens within one unified platform

## 🎁 Free Trial Offer 0:45
