📲 Daily Content & Posting Habits 0:00

- Post client results and a call-to-action (CTA) in your Stories every single day
  - Keeps your offer visible to warm audiences daily
- Post on every platform every day
  - Consistency across all channels maximises reach
- Convert every FAQ into a Reel
  - Repurposing common questions saves content creation time and addresses real audience pain points
- Every time you post a Reel, also turn it into a carousel and a Story
  - One piece of content becomes three, tripling touchpoints with no extra filming
- Post training or nutrition content in Stories every day
  - Positions you as an active, knowledgeable coach
- Post your meals and macros daily
  - Shows potential clients you practise what you preach — builds trust
- Pin your best transformation result to your profile page
  - First-time visitors immediately see proof of results

- Re-post your best-performing Reels every 90 days
  - New followers won't have seen them; evergreen content keeps working
- Post a testimonial to your feed every Friday
  - Regular social proof on a predictable schedule builds credibility over time
- Dedicate one Story session per week to answering audience questions
  - Demonstrates expertise publicly and drives engagement
- Also post your Reels on Facebook
  - Facebook pays creators for Reels — free reach AND potential monetisation
- Produce at least one long-form video on YouTube per week
  - Long-form content builds deeper authority and discoverable search traffic

📩 DM & Outreach Strategies 0:00

- DM every new follower directly
  - Opens a personal conversation before they disengage
- DM everyone who likes your posts
  - These are warm leads who have already shown interest
- Run a poll asking if people need help; DM everyone who says yes
  - Self-qualifying leads come to you — you only reach out to interested people
- Send voice notes instead of text to new leads
  - Voice notes feel personal and human, increasing reply rates
- Re-engage leads who haven't replied
  - Most sales happen on the follow-up, not the first message
- Reach out to every old lead from the past 90 days right now
  - Circumstances change — someone who wasn't ready 3 months ago may be ready today
- Reply to every new lead within 5 minutes
  - Speed to respond dramatically increases conversion before the lead goes cold
- Repost content from clients who tag you
  - Rewards clients publicly and signals social proof to your audience
- Text clients on their birthdays and holidays
  - Builds genuine relationships that lead to long-term retention and referrals

🤝 Collaboration & Community 0:20

- Post at least one collaboration per week to grow followers

    - Borrowed audiences expand your reach with zero ad spend
- Collaborate with large fitness creators
    - Access to bigger, established audiences accelerates follower growth
- Join fitness Facebook groups and answer people's questions
    - Positions you as a helpful expert; group members become warm leads
- Ask 10 friends to share your posts
    - Organic word-of-mouth reach at no cost
- Host free live workshops on Zoom
    - Delivers real value, builds trust, and creates a direct path to conversion

🎥 Video & Live Tactics 0:41

- Go live every day
    - Live content gets prioritised by platform algorithms and creates real-time connection
- Get a second phone so you can go live on TikTok and Instagram simultaneously
    - Doubles your live audience with the same time investment
- Show your face — stop hiding behind slides
    - People buy from people they know and trust; face-to-camera builds that bond
- Give real, practical advice on camera instead of just hype Reels
    - Substantive content attracts serious buyers, not just passive viewers
- Film behind-the-scenes check-in videos with your clients (with permission)
    - Authentic footage of real coaching builds trust and differentiates you from competitors
- Use Claude and ChatGPT to learn video editing
    - AI-assisted editing lets you produce more content in less time at zero extra cost

📧 Email List & Follow-Up 0:20

- Start an email list to have another channel for reaching leads
    - Diversifies communication so you're not solely dependent on social algorithms
- Email your list at least once per week
    - Keeps you top-of-mind; consistent value builds a relationship that converts over time
- Create a new free guide every week to give away
    - A lead magnet incentivises email sign-ups and demonstrates expertise upfront
- Re-schedule no-shows the same day they miss their appointment
    - Keeps momentum going and avoids losing a warm lead to inaction

💪 Client Retention & Referrals 0:41

- Re-sign current clients before their programme ends
  - Preventing churn is easier and cheaper than finding new clients
- Text every client you've ever trained
  - Past clients already trust you — re-engagement can reactivate dormant revenue
- Ask current clients for referrals
  - Warm referrals convert at a far higher rate than cold outreach
- Celebrate client wins publicly in your Stories
  - Motivates existing clients and shows prospects what's possible
- Screenshot testimonials and praise messages from every client
  - Builds a bank of social proof for ongoing content use
- Train one person for free per month in exchange for a transformation testimonial
  - Case studies are powerful sales tools; the cost is just one month of free coaching
- If you're not good at sales yet, book calls even with unqualified leads — just for practice
  - Sales is a skill; volume of calls is the fastest way to improve conversion ability

🤖 AI & Tech Tools 1:23

- Download **Meta Muse** — it checks your DMs daily and identifies leads for you
  - Automates lead discovery so potential clients don't slip through the cracks
- Use **Claude** weekly to audit your best and worst performing content
  - Double down on what works; cut what doesn't — data-driven content strategy at no cost
- Give **Rockbox** access to your streaming platform so it checks client updates for you daily
  - Automates client monitoring and keeps you responsive without manual effort
- Use Claude and ChatGPT to learn video editing faster
  - Reduces reliance on expensive editors; speeds up your content output

🌟 Personal Branding & Credibility 0:41

- Get your body fat down to **10% or below**
  - Visibly lean physique dramatically increases engagement — your body is your proof of product
- Add an application link to your bio
  - Turns every profile visit into a direct conversion opportunity
- Share the story of a hard time in your life
  - Vulnerability builds emotional connection; people buy from coaches they relate to

- Include a CTA in every single post
  - Every piece of content should have one clear next step — without it, interested viewers drift away
- When people ask for gym advice in person, tell them diet is the most important factor
  - Positions nutrition coaching as the key to results, opening the door to your online programme
  - Explain that online coaching gives them daily calorie and macro tracking with accountability
