💰 The Numbers: How to Hit \$10K/Month 0:00

- Two simple pricing paths to \$10K/month:
 - Option A: **31 clients** at \$300/month
 - Option B: 33 clients at \$80/week
- The math is straightforward — the bottleneck is client acquisition, not the revenue target itself

🎯 The Problem: Generic Offers Don't Stand Out 0:00

- Most trainers use vague, interchangeable language in their bios
