Skill 1: Batch Your Content 0:00

- The core principle is to **batch content creation** so you can post every single day without burning out
 - Trying to produce one video at a time makes consistency nearly impossible
- Recommended weekly batching schedule — each task gets its own dedicated day:
 - One day for coming up with ideas
 - One day for filming
 - One day for editing
 - One day for scheduling/publishing

Skill 2: Post on Every Platform, Focus on Instagram 0:00

- Distribute content across all platforms for maximum reach
- However, prioritize Instagram above the rest
 - Cited as the platform where online fitness trainers will make the most money

Skill 3: Book Clients on Zoom Calls 0:00

- Convert interested followers by booking them onto **Zoom calls**
 - Zoom calls are identified as the primary sales environment

- High-ticket coaching packages cannot be effectively sold through DMs alone
 - "You're not going to be able to sell high ticket from a DM"

Skill 4: Track Your Numbers 0:22

- Three core metrics every online trainer must monitor:
 - Leads
 - Calls booked
 - Closes (sales made)

"If you don't know your numbers, you don't have a business."

Skill 5: Dial In Your Niche 0:22

- Being a generic "fitness guy" or "fitness girl" is not enough
 - The fitness space is described as having too much competition for broad positioning
- Narrowing to a specific niche is presented as the most important skill of all

Bonus: Free AI Niche-Finder Tool 0:22

- Brandon offers a free tool to help trainers identify their most profitable niche
 - Works by having the user answer a few questions
 - An AI then analyzes the responses along with the user's profile to recommend the best niche
- How to access: comment the word "**niche**" on the video and Brandon sends the tool via DM
