

10 out of 10 peak male purchases

Channel: Brandon Carter · Published: Aug 15, 2026 · Watch: <https://www.youtube.com/shorts/E3nW6DZzx88> Source: full transcript

Executive Summary

Brandon Carter rattles off his definitive list of purchases every high-performing man should make, spanning fitness tools, premium tech, productivity software, and lifestyle services that eliminate friction.

Contents

-  Food Scale
-  Clawed Max & Chad Gi Pro Subscription
-  High-End Noise Cancelling Headphones
-  MacBook Pro
-  Two Phones
-  Housekeeper
-  Meal Prep Delivery Company

Food Scale [0:03](#)

- Recommended for tracking your macros precisely
 - Macro tracking is a foundational habit for body composition and peak physical performance

Clawed Max & Chad Gi Pro Subscription [0:07](#)

- Specifically calls out a "Clawed Max and Chad Gi Pro subscription"
 - Referenced alongside background music, suggesting it may be a productivity, fitness, or content platform subscription
 - *Note: the transcript is clipped and audio quality limits full clarity on this item*

High-End Noise Cancelling Headphones [0:11](#)

- Described as "high-end" — implying premium brands (e.g., Sony, Bose, Apple AirPods Max class)
 - Noise cancellation enables deep focus and eliminates environmental distractions

MacBook Pro [0:14](#)

- MacBook Pro specifically named as the laptop of choice

- Positioned as a core productivity and creative work tool for high performers

→ 📱 **Two Phones 0:16**

- One phone dedicated to personal use, one for business
 - Creates a hard boundary between personal life and work
 - Reduces distraction bleed and protects mental bandwidth

🏠 **Housekeeper 0:20**

- Recommends having a housekeeper come **at least twice a week**
 - Eliminates low-value time spent on cleaning
 - Frees mental energy and physical time for higher-leverage activities

🍽️ **Meal Prep Delivery Company 0:24**

- A meal prep service that delivers all your food regularly
 - Removes the time cost of cooking and grocery shopping
 - Works in tandem with the food scale to keep nutrition dialed in without effort
 - *Note: the transcript cuts off mid-sentence; additional items may have been listed but are not captured in the source*
