-  The 10 Purchases

The 10 Purchases 0:00

- **Food scale** — to track your macros precisely
- **Clawed max** (likely Claude Max, Anthropic's AI subscription) — mentioned as a productivity/AI tool
- **ChatGPT Pro subscription** — paired with the above as a core AI toolkit
- **High-end noise-cancelling headphones** — for deep focus and blocking distractions
- **GLP of Book Pro** (exact product unclear from transcript; likely a laptop or e-reader variant) — cited as a key productivity device
- **Two phones** — one dedicated to personal use, one strictly for business, to enforce separation
- **Housekeeper** who comes once or twice a week — frees up mental and physical bandwidth by outsourcing domestic tasks
- **Meal prep company** that delivers all your food — removes daily food decisions and supports consistent nutrition
- *Note: The transcript cuts off before all 10 items are explicitly named; only the items above were captured in the available transcript.*
