Executive Summary

ZssBecker urges followers to stop hesitating and commit boldly to their goals, while also pushing back on doom-and-gloom social media narratives, arguing that life and opportunity are better than ever.

Sep 13, 2026 · 2:34 PM

My entire feed is post like this.

Reading social media you'd assume the world has gone to hell.

It hasn't. Things are better than ever. You have more access, opportunity, quality of living, etc than ever in history.

Stop reading algos meant to piss you off. Stop comparing
