The Chrome Extension + NotebookLM Method 0:02

- Install a Chrome extension that lets you copy all video URLs from any YouTuber's channel page
 - The specific extension name is not mentioned, but the workflow implies it bulk-copies video URLs from a channel
- Go to your favorite YouTuber's YouTube page and use the extension to copy all their video URLs
- Paste those URLs into **NotebookLM** (Google's AI research tool)
- Prompt NotebookLM:
