Transcript Issue: No Actionable Content Detected

- The transcript provided consists entirely of song lyrics and music references — no business, marketing, or funnel information is present.
 - Sample of what was captured: *"I pull up in a white but get a drive like you waiting on a ice", "Turn the lights down on me slow down"*
 - This is consistent with a YouTube Short where background music may have dominated the audio capture, or the transcript was mismatched with the video.
- No numbers, frameworks, steps, tools, or strategies related to a "\$20 million funnel" appear anywhere in the source material.
- **Recommendation:** Watch the video directly at <https://www.youtube.com/shorts/QHgN4JZli8U> to get the actual content, as the transcript does not reflect it.
