

A booming \$8 billion testosterone gold rush

Channel: Arie Scherson · Published: May 30, 2026 · Watch: <https://www.youtube.com/shorts/I5bgt4Vh7wk> Source: full transcript

Executive Summary

Mars Men reached \$100M+ in revenue in 18 months by combining a sticky subscription hook, massive ad volume targeting a specific male avatar, and emotionally charged copy blaming modern lifestyle villains — all inside a booming, still-early \$8B market.
