The Best Closers Don't Handle Objections

Channel: Brandon Carter · Published: Nov 13, 2026 · Watch: https://www.youtube.com/shorts/WyrnAESw7Bc Source: full transcript

📋 Executive Summary

Top closers don't excel at handling objections — they structure their pitch so objections rarely come up. Use AI to spot patterns, drill weak spots, and rewrite scripts to preempt objections entirely.

🚫 The Core Insight: Great Closers Avoid Objections 0:00

- The best closers are **not** the best at handling objections
  - Instead, they simply don't receive objections as frequently
  - The implication: prevention beats reaction in sales

📂 The Only Three Types of Objections 0:05

- Every objection falls into one of three categories:
  - **The Stall** —
